## Brighton Cock

**T**otally insatiable, I am always wet and eager for cock.

A business trip to Brighton with my husband had me going sex crazy!

I took men back to our rooms in pairs or more where they chewed on my bullet-hard nipples while their fingers probed my juicy love holes.

My clit is ultra sensitive, which is why I fuck so much, and I need very little

stimulation to make me cum with a big splash. That really got them going

when about a pint of my hot honey bubbled and squirted from my love cave.

I suck my hubby several times a day, and I don't stop until his balls hit my chin. For me, spitting is bad manners. So I sucked cock and ate cum like a good 'un, with not one

complaint.

I couldn't stop cumming as I pummelled cocks with my big tits and milked cocks dry with my snapping pussy.

They filled me up with thick hot spunk while hubby took photos. One after the other each bloke stumbled from the bed, balls drained.

One guy looked familiar somehow. "I've had complaints about screams," he said. Then I remembered that he was the hotel manager!

It's my pussy and I can do what I want with it!

## Prude gets nude

**I** recently changed jobs and moved to Essex having divorced after 19 years. My husband left me, telling me I didn't satisfy his sexual needs and that I was a prude.

It was at my new job that I met Matt, an American, and after not having sex for three years, let's just say that we had a really good time before he went back to the U.S.

Recently, prior to leaving, he asked if he could take some photos of me on my camera and then post them to his office in the U.S so that his wife wouldn't find out.

I have to say it really turned me on and as requested, a couple of days after his departure, I printed them off.

However at this time I was having my house decorated by two blokes - Del who is

about 50 and Jason about 20. I suddenly realized the day after printing the pictures, a Friday, that I had left them on

straight out if he liked my photos. He went red in the face and instantly the bulge reappeared, so I simply leant over and asked him how badly he wanted to fuck me. The answer was clear because the next moment he was all over me.

I helped by popping my tits out of my T-shirt so he

could really suck my nipples and then he slipped his cock in my mouth, thrusting in and out until suddenly I felt the sweet taste of his juice filling my mouth and running down my chin.

I loved both the taste and the feeling of it so I kept sucking and licking. To my amazement within only a couple of minutes he was rock hard again. By this time my pussy was soaking wet and aching for cock so I asked him to fuck me doggy

on Tuesday, so why don't the three of us go down the pub after work and then we can come back here and we can settle up and see if you have won your bet."

He looked surprised as he eventually replied: "A threesome?" "We shall see," I said.

I'd certainly never done that before and when I sobered up later I definitely had second thoughts but first thing Monday morning I got a dirty text from Del saying that they were up for my suggestion.

I went out and bought a really tarty outfit to wear to the pub as I thought what the hell I was starting to behave like a slut so I might as well look like one, which turned me on even more.

Well, on Tuesday night we did all meet at the pub, we all got very pissed and Del and Jason did fuck the arse off me and I totally loved it.

Del suggested that I send my story to your mag to see if your readers approved of my new behaviour.

## WE HAD A BET ON WHETHER ONE OF US WOULD FUCK YOU!

It didn't take long to find out as only Jason turned up on the Saturday and he couldn't stop grinning at me so I decided to flirt a little and told him I had to go out but when I got back I would make us some lunch.

As I left I noticed a large bulge in the front of his jeans, which really turned me on. So when I got back I made us both a quick snack and invited him to join me in the lounge, which he quickly accepted, although he seemed nervous.

After a few cans of Stella (wine for me) I moved away from small talk and asked him

style over the arm of the sofa.

Within ten seconds I was bent over the chair with a large hard cock pounding in and out of my soaking pussy. I was feeling like such a dirty bitch that it didn't take long for me to be groaning with ecstasy as I came big time.

"Did you enjoy that?" I asked as he dismounted me.

"Awesome. Me and Del saw your dirty pictures and had a bet on whether one of us would fuck you. I won," he replied.

I laughed and as I was feeling like such a dirty slut an idea occurred to me. "Del said the job would be finished

# SEX WITH ALL THE STRINGS

## Sex toys can get your sex life buzzing, says Daisy Blade

**W**hile out at dinner with some friends recently, the topic of sex toys came up. This seems to be a regular occurrence when you're a sex journalist and you have friends who are fascinated with your job. I've even stopped trying to talk about it quietly when out in public. Anyway, the four of us are chatting away and it turns out that our friends had never used sex toys together and couldn't see the point of them, because the sex they have is "always fine and nice".

Holy shit. If you're using the adjectives "fine" and "nice" to describe your sex life then you're exactly the type of people that should be using sex toys!

In my humble opinion, every adult couple should have at least one toy box that's equipped with the essentials: a good lubricant, various condoms, a length of bondage rope, a cock ring with removable bullet and at least one vibrator that can be used inside or out. Each of these items can be used in several different ways. Yes, even the condoms: not only can he wear them, but get some textured ones and roll them onto a vibe or dildo and voilà! You got a new dimension to your toy.

It's not like Mr B and I use sex toys every time we fuck, but they certainly add an extra element of excitement. Wearing a butt plug while getting my pussy pounded, or being spanked with a suede paddle rather than just a hand, offers different sensations. Figuring out inventive way to use the toys during sex means we've always got something new to experiment with and it's not just shove his dick in, wham, bam, thank you ma'am.

Our favourite new plaything at the moment is something that makes sex better for both of us. It's a toy called We-Vibe 4 and stimulates the G-spot, the clit and his cock all at the same time during sex. It's not cheap, but fuck me, you certainly get your money's worth for return

on pleasure! After using it for the first time we had to hang the sheets out to dry for a while. Mr B had never seen me gush so much from a vibrator and he loved it (although he later admitted to feeling like a bit of a cheat, because the We-Vibe did all the hard work for him).

Telling an abridged version of this story to our friends - well, we were eating dinner - they appeared unconvinced. Fantasies. What about using sex toys to help play out your fantasies? They looked confused. Knowing that they're in a monogamous relationship, but also knowing that she likes the idea of getting shafted by her fella and another guy (revealed after just a few glasses of white wine - "he'd never go for it", apparently), I saw my opportunity to pounce and put an appealing angle on sex toys that I knew she wouldn't be able to resist.

"Well, you know there are lots of lovely, realistic dildos out there these days. Should someone like the idea of a threesome, but not the complications of finding another body, you could just use a

toy and your imagination to get the same level of satisfaction," I explained matter-of-factly, but shooting her a look. "Mr B and I do it all the time. We've got one of those Fleshlight

things for when he wants two pussies. Works a treat!" We saw a light go on in both their heads.

You could see the cogs working as we all sat on the tube home. All that talk of fantasies had got me and Mr B worked up too and I sensed that we'd be heading straight home to play out our favourite doctor/nurse scene, which involves most of our toy chest.

Two weeks later I texted my friends to see how they were. "AMAZING!" was the reply. Turns out they'd done a bit of online shopping. What followed was a very detailed message about their sex life since toys and I'm pleased to say that the words "nice" and "fine" didn't feature anywhere.

# TRUE BLUE

**Webcam porn star Kaz B has been enticing men into her sexy chat and video room for nearly a decade, but what really goes on behind those virtual bedroom doors?**

Webcam girls: As good as the real thing?

**REAL STORIES FROM THE SECRET WORLD OF UK SEX!**

**W**ebcam work is so varied. From the amount of time I'll spend on cam each week (between ten and 30 hours), to how many customers visit in an evening (one client all night, or no-one staying for more than two minutes, or over 100 within an hour) and even what they want to watch. It's different all the time and I've seen the world of webcam transform in the seven-and-a-half years since I performed my first ten minute session.

When I started, webcam was still so new. It was only through requests from regular callers to the babe channel I worked on that I first heard about it. Often the show wouldn't allow much time for us to talk to the guys about what they wanted and we'd only be topless. Some of the regulars wanted to see me get up to more sexy mischief and suggested doing it online, so I did!

I get asked to do anything and everything, including sexy stripteases, playing with my Rampant Rabbit, or to do a hardcore scene with my male partner. Occasionally, some guys ask me to put my clothes back on and just chat to them, which can be boring but thankfully this is a rare phenomenon.

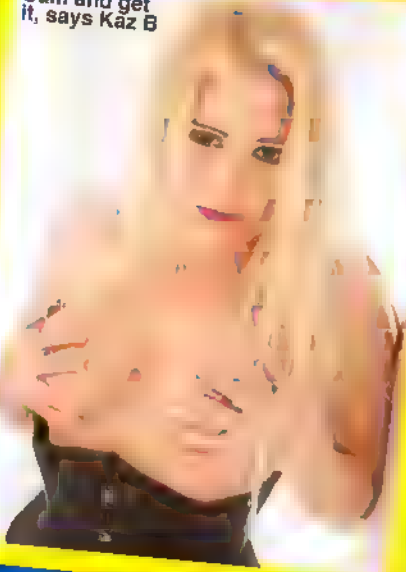

A lot of the time guys like to do role-play, which is great because I really get off on it too. My favourite is playing the boss of a company and the man has to please me, or he'll lose his job. I've got a real dominant side and get a kick out of telling men what to do on camera.

One of my regulars comes to me for exactly that: to be bossed around. He likes it when I'm mistress and tell him to wank himself off in the corner of the room.

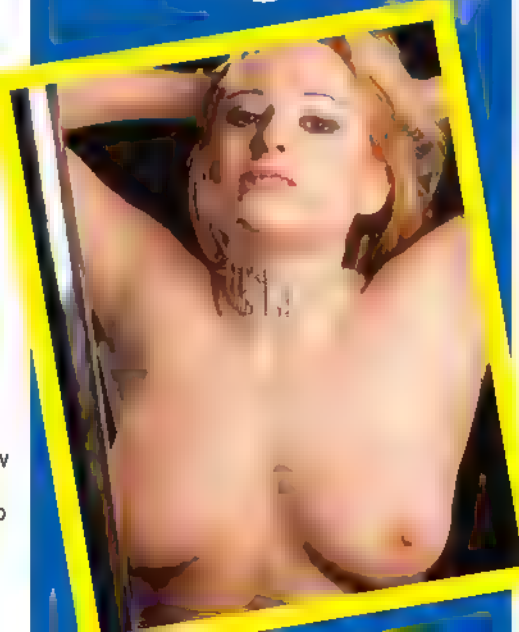

Most of the time I perform solo, but now and again I'll do something different, like perform girl/girl or boy/girl. These usually happen spontaneously and I think that's the best way to do it. Some of my sexiest moments on camera have come from spontaneous acts, like when I came back from the pub once with a girlfriend and she ended up being in the whole show with me!

I asked her if she fancied doing a cameo for five minutes and giving me a kiss, but

Cam and get it, says Kaz B

**I'm so spontaneous on webcam. Once a girlfriend even joined in. And the lodger...**

before I knew it the two of us were in bed together. Another guy joined us as well, oh, and I had a lodger at the time and he came to play too, so all of a sudden there were four of us on the bed having some very naughty fun together. It was great because it was so unexpected! The viewers weren't expecting it, so they thought it was amazing and asked if I could do that every week. I didn't even mean to do it that week!

Sometimes my job involves a complete role reversal and I become the viewer. Couples that log on want me to watch them fuck, either because they're looking to try something new in their relationship and this is a good middle ground, because they're still in comfortable surroundings, or they might be thinking of going into the webcam business and want to test their performance. Either way, I enjoy it and they really get off on it. Solo guys that perform for me can be a real turn-on too, because they're doing something intimate for me.

As it's the internet I do also come across some weird, yet wonderful, characters. There are a few regulars I have that enjoy wearing tights and pouring custard down them, or splatting their face in bowls of the stuff.

Easily the oddest was a guy who described doing painful things to his cock. He'd paid a lot of money for a private cam session and would say he was putting a cigarette out on his bell-end. He didn't have his camera on, so I couldn't tell if he was actually doing this, or if it was just fantasy and he was getting off watching my reactions and seeing me cringe. I just couldn't get my head around it!

Since I started in 2006 webcams have come a long way: internet speed is faster, cameras are better and the software is more advanced, so in some cases the quality is just as good as watching TV.

What I'd love to see become available next is remote sex toys that the audience can control and 3D webcam porn! Now 3D technology is available, it would be amazing to see that transferred to the internet.

# MY NUDDY VALENTINE

# JASMINE

Nothing says "I love you" like a rose out of a plastic bucket, a cheap card with a question mark scrawled in it, or a trip to a swanky sex party. Jasmine is looking forward to the latter on the fourteenth of the month. "Cards and flowers are for kids. I'm going to have a very special, very adult Valentine's night," she pouts. "I won't be looking for romance, just lots of hard cocks and sexy ladies' arses. I'll be feasting on them all night long!"

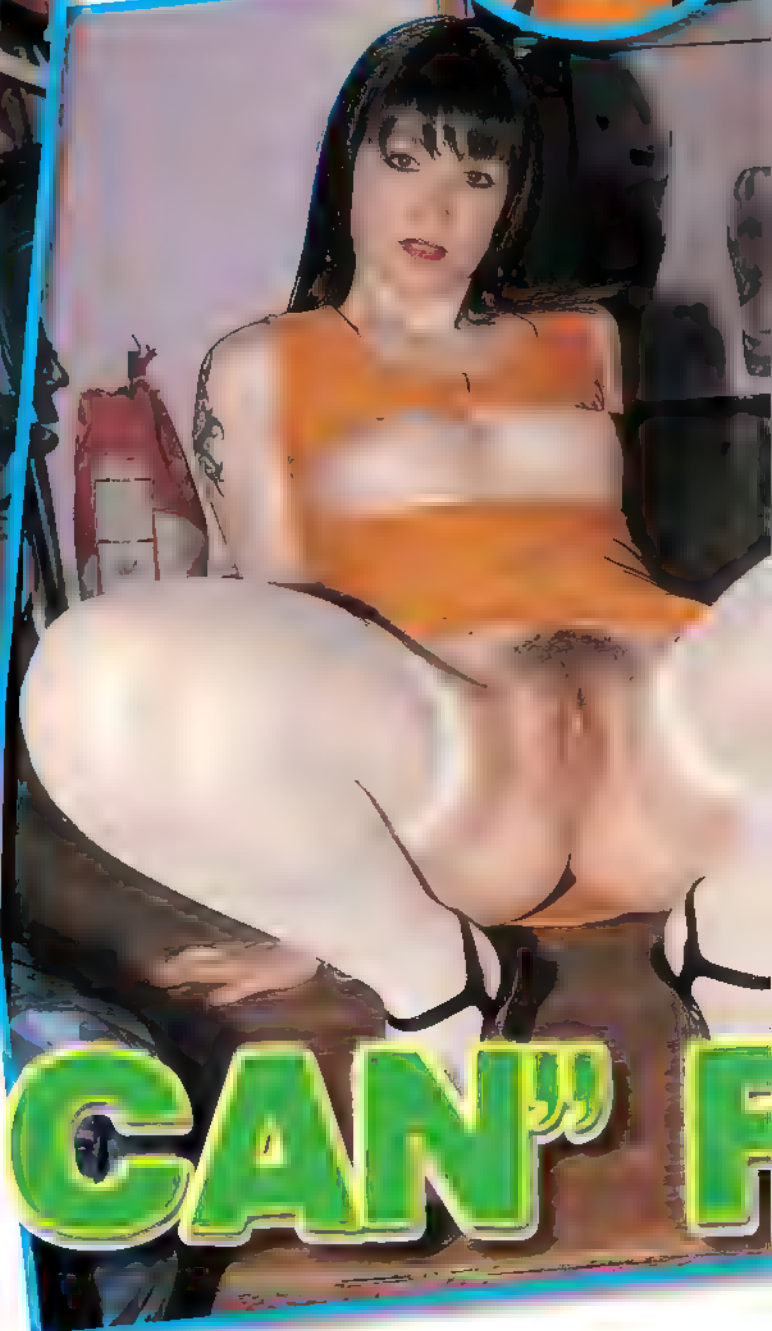

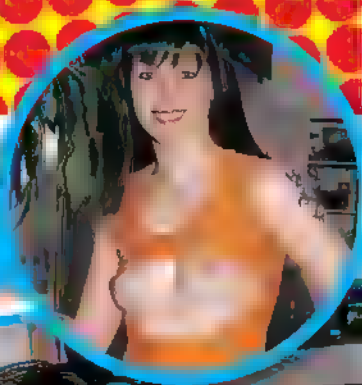

# REAL WIFE SEX

Rachel, Glows

## THE "I CAN" F

**M**y wife Rachel and I are pretty open-minded about our sex lives. Having said that, we'd never been involved in swinging, dogging or multiple partners, until a few weeks ago.

We caught a bus into the city to do some shopping and ended up getting caught out in an awful thunder storm. We ended up sheltering in the doorway of a sex shop, which had an 'adult only' cinema in the back. Rachel finds porn a real turn-on, and would happily watch it all day, so we went in. The cinema was pretty small, and very dark, but we could see there were very few people there, just a couple of fellas, so we settled down to

watch the movie that was playing on the screen – a busty blonde getting serviced by two men and another woman.

After a while, I needed to go to the loo, so I left Rachel alone for a couple of minutes. When I got back, I could see that the two guys had moved closer, and were sitting next to Rachel. I sat on the other side of her, and soon I felt her hand creeping under my coat and into my jeans, finding my cock. She was getting really worked up and I could hear her breathing getting faster. When I looked across I could see the reason why – one

of the guys had his hand up her skirt!

Rachel was obviously loving it, and this was a turn on for me too, so after looking around to make sure that the four of us were the only ones there, I smiled at the blokes who had joined us, and pulled Rachel's skirt right up so that I could see her being fingered.

The bloke's fingers were glistening with Rachel's juices as he pumped them in and out of her. Rachel reached into the front of his trousers and pulled out the biggest cock I've ever seen, running her fingers over his cock and balls and

# FILM FESTIVAL

massaging his bell-end, which looked to be about the size of a tennis ball!

The guy pulled Rachel's leg up and over the armrest of the chair and slid to the floor in front of her. Then he held her pussy lips open with his hands and dipped his head so that he could clamp his mouth over Rachel's soaking pussy.

Rachel's tugging of my cock was getting rougher and rougher, so I put my hand over hers to get her to stop before I came. The other guy had his dick out and was wanking himself off. All interest in the film had gone as we watched this bloke lap at Rachel's pussy. His head bobbed up and down and his tongue flicked over Rachel's clit. I could hear

## My wife was getting fingered by strangers

her soft moans and gasps as two fingers pushed their way into each of her holes and she gasped as she came. I knew then that she was on fire, and that she wouldn't be happy with just a bit of oral sex.

Sure enough it was my darling wife who made the next move. Without even looking at me, she

pushed the man's head away and slid onto her hands and knees on the floor. Her head was in my lap and her mouth searched for my cock as her lover pushed down his jeans and shuffled up behind her, his huge cock pointing in the direction of Rachel's pussy.

The other guy moved into the row in front, leant over and popped all the buttons on her blouse, pushing up her bra to let her tits free. Then the guy with the huge cock whispered to her, "Do you want me to fuck you?" and I clearly heard her reply, "Oh god yes, I want you to fuck

Despite those New Year's resolutions, we expect your gym-going might have tailed off by now, but Vixen and Lizzie are still hard at it – quite literally. "Well, there's no-one here. Everyone's back in the pub after a guilt-laden January!" chuckles tattooed tartlet Vixen. "Working out so much fun when you're naked. I do squat thrusts over Lizzie's face! And you've got a pal to shower with at the end of it all!"

HELEN,  
COLCHESTER

I could not wait any longer and asked Mark to fuck me first. He rolled me on to my side so I could face my loving husband Andy. He moved my left leg so it was over Andy's and I reached back and felt that lovely thick and wide cock... "Just as I remembered, Mark. Go on then, slip it into me..."

I pushed back until his big bell-end slipped into me.

## Ten year itch

It had been ten years since my threesome with Mark and I fancied another go.

We hardly saw him any more and he'd settled down, but we sent him a text and soon Andy told me to get

beauties!" "Well whose fault is that!" I replied. Andy cupped my tits and told Mark to suck my nipples. He didn't need asked twice and started to suck my stiff nipples which drives me fucking crazy.

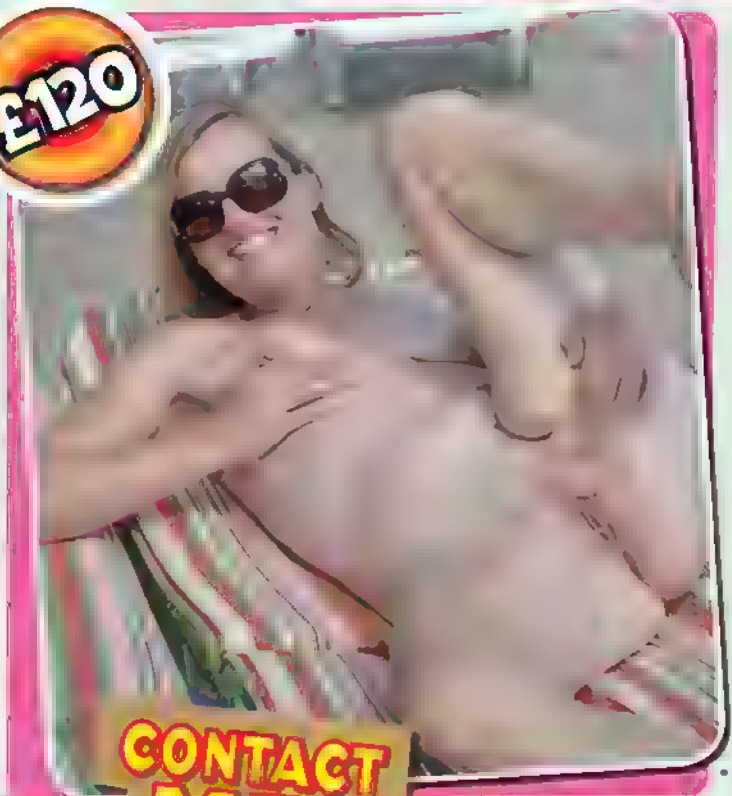

Then Andy told Mark to lick my clitty as he held my lips open. Mark first gave me a love bite either side of my pussy and then went to town on my erect clitoris. I came for the first time and Andy had to hold me up as my legs just about gave way.

We moved to the bed where these two hot men started to have their wicked way. They sucked my nipples and fingered my clit.

Andy produced one of my many toys and gave it to Mark. He inserted it gently between my pussy lips and switched it on to full power. I was cumming again and nothing was

ready for Saturday night at ours. My pussy gave an instant tingle thinking about his big cock.

We had a couple of drinks and I sat in between Andy and Mark on the couch and placed my hands on their legs and squeezed them "What you planning to do to me then boys?" I asked. "Everything!" they said. My husband rubbed his fingers against the fabric of my panties and told Mark: "She is fucking soaking already!"

Soon, we were all upstairs. Andy lifted up my vest top and let my little tits pop out for Mark to see... "Wow, it has been a long time since I saw these little

going to stop me. I let go with amazing feelings running through my body and out my pussy.

I stared into my husband's eyes until Mark pushed deep inside me and then I closed my eyes and dug my nails

into his arms.

Mark really got up a pace and was giving me a good fucking from behind while my hubby was sucking and tweaking my nipples and sending me to a furious third orgasm.

Mark told me that he was gonna cum and shoved his thick cock right in me while I pushed my pussy and arse back hard against his cock. The next thing I knew his

hot spunk was being emptied into my wanting hole. My orgasm just shot through my body again and I arched my

head back and kissed Mark full on the lips all the way through my orgasm.

When I had calmed down I turned back to my husband with a sheepish look, as his best friend had just come inside my married love hole and made me cum. "Your turn now, darling."

Mark started to suck my nipples while my husband started to fuck me good and proper holding my waist from behind. I started to kiss Mark again with passion.

Andy whispered in my ear that his cock was covered in Mark's cum. When I heard this I told the boys that I was away again. Then Andy exploded into me just as Mark had done only a few minutes earlier. It was brilliant and when Andy had emptied his last bit of hot cum, he eventually pulled out his cock from me.

We all lay on the bed after that and I just let the double come run out of my pussy and onto the bed sheets.. I told both of them "that I don't expect to wait another 10 years for a repeat!"

We seem to be meeting up next month now. I will let you know how it goes.

## Cry three-Dom

I ended up spending a night watching porn with my best mate Will and his missus.

They're a kinky pair and he doesn't mind sharing her.

She was grabbing her own nipples and stretching them up and out, and jiggling her tits as she rubbed against me as we watched the film. I was

off my T-shirt, nuzzling my chest with her face, then stripped my bottom half naked too.

I don't know what the gloss was she was wearing on her lips – minty perhaps – but when she rubbed the tip of my cock over her mouth it felt all cool and tingly. Then she opened her mouth and started slapping the underside of my helmet against her

tongue. I didn't want to rush her, but I was desperate for her to start sucking my knob, and it was like she read my mind. Her lips closed around my bell-end, and she started sucking me, swirling her tongue around.

By now I had actually forgotten that Will was there, and so had Tara, I think – that's probably why she squealed when he suddenly came up behind her and started feeling up her pussy. He grabbed the back of her G-string, pulling it tight then yanking it back and forth against her slit. Then he pulled it to one side and fed his cock slowly up her wet hole.

Fair play to her, she didn't miss a beat and Will kept things slow and

still fully clothed, but when I slid a hand under her crotch, I

## WILL DOESN'T MIND SHARING HIS TARA

could feel how hot and moist her pussy was – her little G-string was wringing wet with her juices.

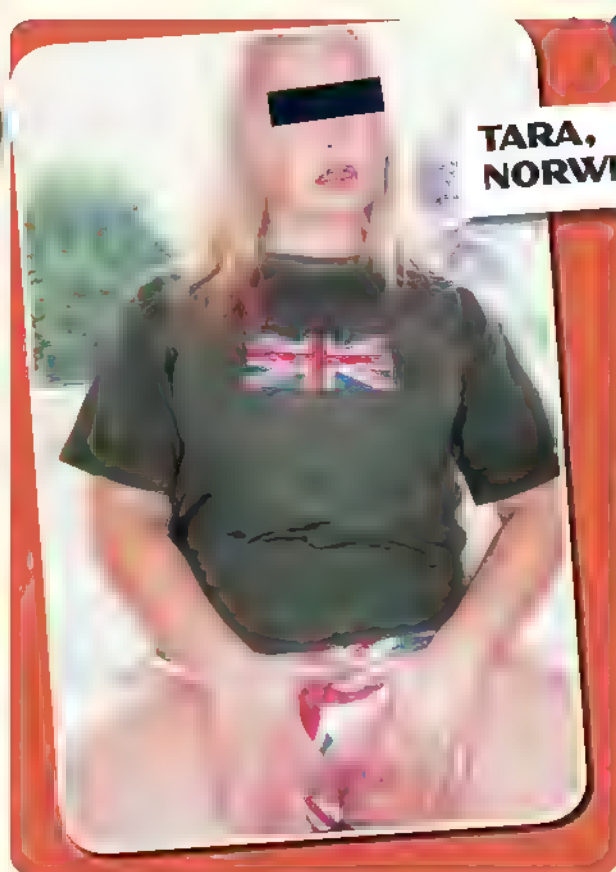

It was weird doing this with her boyfriend sitting there, but he loved to see her get manhandled.

I didn't need any help undressing but I still let Tara do the honours. She peeled

easy until she'd sucked me all the way. The slurping got louder and more frenetic, then she gave my balls a squeeze and I fired six or seven thick, creamy jets into her mouth.

Next thing, I heard Will groan to Tara to sit on his cock – he lay down on the rug and Tara immediately straddled him, just like she'd

TARA,  
NORWICH

done to me while she was teasing me.

This time, though, there was no messing – his prick was straight up her hole, and her tits were bouncing and slapping around as she rode him hard.

I don't know what the hell she did to him with her inner muscles – although she gave me a good idea later on –

but I could see exactly when he started cumming and his face told me when every jet of spunk was squirting up inside her.

It was one hell of a night – no matter how hard or how much we fucked Tara, she was always ready to take the next hard cock offered to her.

Phew! It's all getting a bit steamy in here with the juicy-jubbled Jenny, whose ridiculously over-endowed rack is getting us pretty hot under our trouser-collar. 1. The first part of the text discusses the importance of understanding the context of a document. It emphasizes that without proper context, the meaning of the text can be lost or misinterpreted. This is particularly true for historical documents, where the language and customs of the time may differ significantly from those of the present.

2. The second part of the text focuses on the role of the reader in interpreting the text. It suggests that readers should approach the text with an open mind and a willingness to engage with the author's perspective. This involves not only reading the words but also considering the broader cultural and historical background in which the text was written.

3. The third part of the text addresses the challenges of translation. It notes that translating a text from one language to another is a complex task that requires a deep understanding of both languages and cultures. The translator must strive to convey the meaning of the original text as accurately as possible while also making the text accessible to the target audience.

4. The fourth part of the text discusses the importance of preserving the integrity of the original text. It warns against making unnecessary changes or alterations to the text, as this can distort the author's intended meaning. Instead, it advocates for a careful and respectful approach to editing and proofreading.

5. The fifth part of the text concludes by emphasizing the value of a well-edited and well-translated text. It suggests that such a text can provide a valuable window into the past, allowing readers to gain a deeper understanding of the world and the people who lived in it.

me. Give me all of that big cock, fuck it all up me and make me cum." With that, he grabbed the waistband of her knickers and pulled them off.

There was a sharp intake of breath from Rachel as the stranger started to push his mammoth bell-end inside her, and as he started to penetrate her sopping pussy, she was pushed forward, my cock filling her mouth. She said later it felt like he was trying to get an arm inside her!

The stranger reached round and pulled her fanny lips apart as he tried to get more of his length inside her. Rachel grunted, took my cock out of her mouth and moaned, "Oh Christ, it's so big, fuck me, don't pull it out," and then jammed my cock back into her mouth, her body quivering uncontrollably as the stranger slid his cock inside her, inch by inch.

When he had most of his length inside her stretched pussy, he started to grab her tits, whispering in her ear that he was going to fuck her. Rachel was moaning, working on my cock, and when he asked

into my crotch as he fucked her, squealing and moaning like an animal, crying out in pleasure as he fucked in and out of her, stretching her fanny. After a minute or so, she pushed me away from her and lay on the floor, concentrating on her own pleasure as her pussy was given a hard fucking.

Finally, the stranger grunted, grasped

her if she liked his big cock she just moaned, nodded and pushed her arse back against him. At this he pulled most of his cock out of her and then jammed it back in, beginning what would be a relentless fuck.

Rachel groaned

her fleshy arse cheeks in his hands and spurted his load inside her soaking pussy. They just stood there for a minute, and then he pulled out, her fanny squelching as his cock popped out. Then he sat back, said thanks, and started to put his clothes back on.

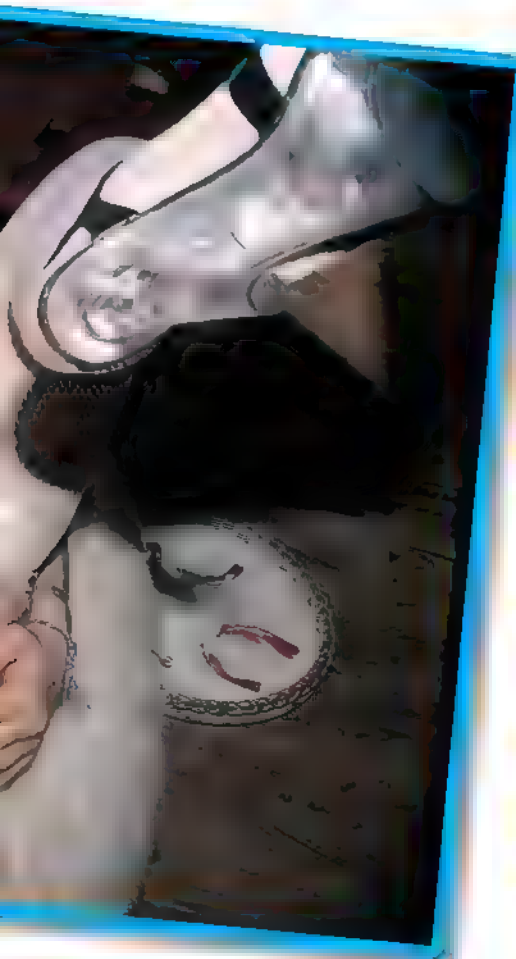

Rachel was lying on the floor, her arse and pussy stuck up in the air, frantically rubbing her clitty like she was in a trance. It wasn't long before the other guy asked if he could fuck her too.

Rachel nodded weakly, and then took my

dick in her mouth once again. The second guy put his cock inside her, but I'd be surprised if she even felt it after the stretching she'd had. There was not a murmur from her as he fucked her and came. She just lay there, shattered, her eyes a million miles away.

The second guy got up and left almost as soon as he'd cum, but the guy with the big dick hung around and chatted with me as Rachel got herself together. He lives in the city and just loves to fuck different women, and with a dick that big it's hardly surprising!

Before we left, unbeknownst to Rachel, he gave me his phone number, and as it's her birthday soon I might see if he'd like to come round and service her for a second time. She obviously wants to see him again, as every time we've been to town since she's tried to drag me back into the sex shop!

## Pick-orators in

**M**y wife Jane loves being really dirty in front of the camera and over the years we have taken many photos of Jane fucking herself with her many dildos or sucking my cock. These were for our eyes only.

That was until we got a decorator in to do our bedroom. His name was Andy and he looked about 25 years old. He told us it would take about three days to do.

On the third day Jane finished work early. She let herself in and went upstairs to see how Andy

was getting on. The bedroom door was half open.

Jane looked in to see Andy lying on our bed wanking his hard cock while looking at some pictures of Jane naked

He started to say how sorry he was but Jane told him to keep wanking. She was loving the sight of him tossing over her photos.

Then she dropped to her knees and took his cock in

her mouth. Jane is an expert at blow-jobs – she likes to tease the end with her tongue and then take the lot deep down her throat.

It wasn't long before Andy was pumping his hot spunk deep inside Jane's mouth. She

kept sucking until all his spunk was inside her.

Jane now wanted Andy to lick her wet cunt. She got naked and lay on her back with her legs open. Jane told Andy to get down and lick her pussy, and he did so straight away.

He flicked her hard clit with his tongue for a while. Then he

pushed his tongue all the way up her cunt. This had Jane cumming in no time, pushing his face into her cunt and coating it in love juice.

Next Jane instructed Andy to fuck her hard. He had recovered his hard-on, and

## NUDE year Party

**O**n New Year's Eve, myself and my fiancé were seeing in the New Year with a few drinks and some good company at a friend's house.

Conversation came round, as it so often does drunkenly, to the topic of sex and sexuality. Though my husband had never seen me do anything, he was aware that I liked women as well as men.

Our friends also knew this, and as we talked our friend Sam mentioned that she liked a bit of both too. She told us she had experimented with a woman but never progressed very far.

It was news to all of us, and as the drink flowed even more the men started suggesting that we got it together.

When we said no, they claimed they were only joking anyway.

After the New Year came round and the celebrations drew to a close, people started leaving. Sam's husband was in bed, and when my husband went to the toilet Sam and I were left alone.

We talked about the previous comments, and decided we would give them something to really talk about. Taking my cue, I leaned over and kissed Sam.

She responded to my kiss, and it wasn't long before we were fondling each other's breasts. I eased my hand

under her blouse, finding her nipples erect under my touch.

Her breathing was becoming heavier, I knew with excitement. As I moved my hand down over her damp knickers I could feel her bulging pussy was getting hot and creamy.

This got my juices flowing and my own knickers became damp. I slowly removed them, revealing my nicely shaven, swollen pussy.

As we came closer together I felt her shudder, eagerly awaiting my fingers. Not

about to disappoint her, I slowly slid a finger between her pussy lips and gave her a good frigging while my thumb rubbed her clit.

Her pussy was so creamy I just had to have a taste. I took her pussy and licked her clit before pushing my tongue deep inside her, tasting her

he got between her legs and pushed it all the way up her. His cock wasn't that long but it was satisfyingly thick.

Jane was soon cumming

## SHE LICKED HIS COCK AND BALLS CLEAN

again as Andy pumped his meaty cock into her. They fucked for about an hour

before Andy came over Jane's face and tits. She finished off by licking his cock clean.

When I got home from

work Jane told me what had gone on. I was a bit pissed off to start with but the more

I thought about it the harder my cock got.

We ended up fucking for hours and by the time we were done Jane's cunt was well used and sore.

Jane has asked Andy to decorate the hall and spare bedroom. He said it was a big job and he'd need to bring a mate along to help.

Needless to say, Jane was grinning from ear to ear when she heard that news! *John, S. Wales.*

hot sweet-tasting juices.

Before long she gave a groan and cum gushed forth, filling my mouth and running down her chin.

## MY FIANCÉ WANKED OVER THE PAIR OF US

With all the excitement we had forgotten my fiancé had only popped to the toilet. As I sat up I felt him standing behind me.

I turned around to see he

had a solid cock and a very wide smile. He was wanking himself off and ready to cum. He came over and shot his load over us.

We rubbed the fluid into each other before Sam went to bed, leaving me and my fiancé to have the most passionate sex imaginable.

## Milk and honey

My husband Eddie and I were on one of our cruises through the countryside.

I had no panties on as usual and my shaven, pierced pussy was feeling really horny. We came across a small wood with a rough path leading to a clearing.

Eddie drove in and parked up. He pulled his camera

the lad was watching. Eddie told me he had an idea and then got into the car and unzipped his trousers.

He told me to lean in from the other side. I did as Eddie suggested, leaning over to suck his cock while my naked arse was sticking out of the door.

I took his shiny helmet I my mouth, flicking my tongue around his helmet and balls, savouring his taste. Suddenly

I felt a strange hand between my legs parting my butt cheeks.

It drove me crazy and in response I crammed more of Eddie's cock down my throat. I was sopping wet as I felt this young stranger's cock rubbing against my thighs.

Then he rubbed his blunt cock-end round my bum and pussy before

quickly sliding it inside my soaking cunt.

I carried on like this for

out and prepared for some action. We took a load of sexy photos in and around the car

## THIS BRAZEN YOUNG LAD FUCKED ME FROM BEHIND

and the clearing.

After a while I noticed that someone was moving around in the trees behind Eddie. I kept posing as if I hadn't noticed, but looked harder to see what I could see.

I saw a young lad of about 17 or 18 in the trees. He was getting a good eyeful as Eddie went to work on my clit.

My love juices were flowing as I whispered to Eddie that

ages, sucking Eddie off while this brazen young lad fucked me from behind in the middle of a wood.

As I came for about the fourth time I felt the lad increase his pace and finally shoot his load.

Eddie groaned and flooded my mouth with creamy cum.

What a day out, I'd love to repeat it soon.
